## SPOTLIGHT

**First job:** Associate member of the technical staff at Bell Laboratories in Whippany, N.J.

**Previous job:** Senior vice president of products at Kadient Inc., Lowell

**Professional achievement:** "I am proudest of the world-class engineering organization I built at Authoria Inc. in Waltham, which was strengthened through integrating key acquisitions and building a strong offshore team in India."

**Professional priority:** "I am focused on building a robust set of innovative, easy-to-use, scalable ePRO products that clearly improve the clinical trial process over paper, and offer a rich set of options for collecting patient diaries, including handhelds, tablets, and the Web, allowing biopharmaceutical and medical device companies to get better data to improve patient safety and enable more successful trials."

**Elizabeth Ricci**

**Vice president of product development**

PHT Corp. (Boston)
